## Credit Account Application Form

Payment terms: Where we have accepted you as an account customer we require that all invoices are paid within 30 days of the invoice date. When account facilities have not been granted then payment will be with your order, or where previously agreed, on delivery.

## Conditions for hire

In these conditions 'owner' means 'registered carrier'. 'Hirer' means person or company to which accounts are rendered. Vehicle means the vehicle which is being used to deliver or collect the skip which is subject to the contract. 'Driver' means the driver of the vehicle and 'site' means the place where the skip is being deposited with the guidance and direction of the hirer. The following conditions must be upheld throughout the contract:

- 1) No agent or employee of Enterprise Skip Hire is permitted to alter or vary these conditions in anyway unless he/she is authorised to do so.
- 2) Enterprise Skip Hire Limited will use its endeavours to comply with the hirer's requirements but can accept no responsibility for failure to supply or for any delay in supplying skips which may be caused directly or indirectly by any circumstances beyond Enterprise Skip Hire's control.
- 3) The hirer shall direct the driver where to deliver or operate equipment but the driver is under no obligation to follow instructions that he feels uncomfortable following.
- 4) It is the responsibility of the hirer to notify Enterprise Skip Hire of the need for a permit. It is not the responsibility of Enterprise Skip Hire Limited to check the ownership and rights of each individual plot of land. It is therefore essential that the hirer ensures that all permissions required before skips can lawfully be deposited on the site/highway including the council licence have been or will be obtained before he directs the driver to deposit the skip. The hirer will be liable for any fines.
- 5) The hirer shall not move the skip without consent of the owner.
- 6) The hirer must ensure that no tires, fluorescent lighting tubes, asbestos or Hazardous/toxic materials have been placed in the skip. Failure to comply may mean that the items are removed or returned to the hirers property at the hirers cost.
- 7) The hirer shall ensure that from the time the skip is delivered until the time that it is collected again by Enterprise Skip Hire Limited;
  - It is properly sited in accordance with the permission given.
  - No fires are lit in it.
  - It is filled no higher than to the top of its sides.
  - It suffers no damage except for reasonable wear and tear.
- 8) The customer shall ensure free and suitable access to and from the delivery address and ensure suitable ground conditions for the delivery of equipment or heavy vehicle movements. No responsibility will be accepted for the damage to any surface over which the equipment or vehicle is moved to reach its destination and the customer should therefore take steps to protect the surface.
- 9) Unless expressly agreed otherwise, the duration for which any skip can be hired shall not exceed 14 days. For each week that exceeds the 14 days' casual hire, a charge may be incurred.
- 10) All skips shall be indelibly marked with the Enterprise Skip Hire Limited name and number.
- 11) Except when specifically, otherwise agreed, Enterprise Skip Hire Limited will dispose of the contents of the skip. All waste will be taken to our treatment centre for sorting before transferring any remaining, non-recyclable material to a licensed waste disposal site.
